**Filing Instructions:**
Electronic copies of the revised practice can be found on the NRCS website at http://www.nrcs.usda.gov/technical/Standards by accessing the Electronic Field Office Technical Guide (eFOTG), Section IV. You can download a hard copy to file in Section IV of the Field Technical Guide (FOTG), if desired. You do not need to maintain a hard copy of the FOTG. Remove the Idaho Conservation Practice Standard index dated June 2010 and replace with the attached one dated July 2010 if hard copy is maintained.

If you have questions concerning the specification, please call the appropriate Area or State Office specialist.
