Planned Action: Describe planned action(s); include equipment to be used, extent of disturbance.

Acres to be Disturbed (APE)	Total Acres	Implementation Date

Search Results

	Survey is not required by Cultural Resources Specialist (CRS). Before the project starts, **conduct** a field survey and **document** the results in the shaded areas below. ***Sign and return a copy of this form to the CRS.*** ***NOTE****: Locating cultural resources can be unpredictable.* *If cultural resources are found during any phase of the project, if the nature or area of the project changes, please contact the NRCS CRS immediately.*
	Do not proceed with the project until a CRS has conducted a survey. Potential for cultural resources in the project. Call CRS to schedule survey.

Notes:

	The T&E Species list you requested is attached.
