AGRONOMY TECH NOTE NO. 42 - IDAHO FERTILIZER GUIDES

The University of Idaho Fertilizer Guides are downloadable from the University site. Guides are periodically updated without notice. Reference the site, review the list of current guides, download and print needed guides.

Access the Fertilizer Guides at: http://www.uidaho.edu/ag/extension

Select:

- Publications Catalog button
- Downloadable Publications button
- Fertilizer and Soils button
- Downloadable publications are listed alphabetically. Browse the list and locate the desired fertilizer guide.

File this in the Agronomy of the Technical Notes, Section VI of the Technical Guide.
