Matthew Ballmer	3	1	2	--	--	--	--	--	--
Alfred Ramos	1	1	1	--	1	--	--	--	--
Seth Fiedler	1	1	1	--	--	--	--	--	--
Sean Lewis	1	1	1	--	1	--	--	--	--
James Hewitt, Jr.	--	--	1	--	--	--	--	--	--
Charles Braden	--	--	1	--	--	--	--	--	--

[1] Violations and appeals procedures (Level 3) will only be completed by the State Biologist or alternative as identified by the State Conservationist.

Level 1	Successfully attended basic training but has not completed all required courses, or lacks the experience to conduct the WCC task without direct oversight. Level 1 is considered a training phase to obtaining a Level 2/3.
Level 2	Successfully completed all required training, and has demonstrated proficiency in applying the task with limited oversight. Task completion require review and signatory authority of a Level 3 agency expert.
Level 3 (WCC Agency Expert)	Successfully completed all required training including updated courses, and has demonstrated proficiency in independently applying the WCC task. Authorized to independently carry-out the identified WCC task. WCC Agency Experts will have signatory authority as the Designated Conservationist and will be expected to assist in providing training opportunities to staff at Levels 1-2.

I hereby certify that the above NRCS employees have successfully completed all training, including updated courses, required to accomplish the specific task listed.
