TECHNICAL GUIDE NOTICE IL-53

Attached is a copy of the National Bulletin No. 210-0-8 which should be filed at the end of the standard and specification for Subsurface Drain-606.

Pen-and-Ink Change:

On page 606-17 in the Illinois standard and specification for Subsurface Drain-606, after paragraph 3.1.1., make a pen-and-ink addition as follows: "Refer to National Bulletin No. 210-0-8 dated September 17, 1980, which is filed at the end of this standard and specification."

On the Index, page 2, under supplement date on line with Subsurface Drain, add "210-0-8."

Michael C. Schendel
State Conservation Engineer
