Technical Guide Notice IL-56

Distribution of revised Technical Guide materials is now underway through area sessions. Attached with this notice are:

A. Corrected section for USLE materials, Section I-C. All previous materials should be destroyed, including those distributed at area sessions, and these inserted.

B. Correction of pages R4-A1, R4-A2, and R4-A3, Section III which was in error.

C. A listing of where to insert the new materials.

D. A new index for the front of the Technical Guide.

E. Correction of Section IV index.

The following Standards and Specifications are cancelled:

BRUSH MANAGEMENT
DRAINAGE LANDGRADING

Previously distributed materials should now be filed in the Technical Guide, the old material replaced should be removed, and the new material put into use. Be sure to retain ASTM 449 filed with the old 606-SUBSURFACE DRAINAGE.
