TECHNICAL GUIDE NOTICE NO. 388

This notice transmits the Revised December 2014 CRP Toolkit Payment Schedule for use in conservation planning and contracting of Continuous CRP Signup #47.

The excel workbook is located on FOTG under Section I – General Resources/ Cost Data/ 3. Toolkit Payment Schedules and Cost Lists. The document title is "Revised December 2014 CRP Toolkit Cost List."

A printable version of the payment schedule can also be found at FOTG under Section I – General Resources/Cost Data/Printable Versions. The document title is "Revised December 2014 CRP Cost List".

Heavy Use Area (561) was mistakenly deleted from the CRP payment schedule during the last revision and has been added back in. It is still needed as a component for Water Facility (614) when installing alternative water.

ACTION

Download the excel workbook as needed and save to C:/Field Office Tech Guide/Section I.

Download the printable version and distribute as needed.

The CRP Toolkit payment schedule has been developed for use in Continuous CRP Signup #47 planning and contracting.

Please direct all questions to your respective Area support staff or Danny Hughes, CRP Technical Coordinator at 606-348-9383.
