DISTRICT CONSERVATIONIST _____ DATE _____

CLEARANCE AND PERMITS

It shall be the responsibility of the cooperator to obtain all necessary clearances, permits, rights of ways, and to comply with all ordinances and laws pertaining to construction of this project.

It shall be the responsibility of the cooperator to assure that the project is constructed according to the attached drawings and specifications. Any changes shall be submitted in writing to the NRCS 48 hours prior to implementation for approval.

NRCS shall be notified 72 hours prior to construction.

LOCATION OF UTILITIES

No representation is made as to the existence or non-existence of any utilities, public or private.

The contractor must obtain the exact location and depth of all utilities from the utility companies prior to excavation or construction activities.

For safety, before doing any type of digging, call SC811 CALL BEFORE YOU DIG to have underground utilities located: SC811 hours are 7:30AM to 5:30PM Monday through Friday, excluding holidays. South Carolina law requires that utility companies be given 72 hours (excluding weekends and holidays) to mark their lines. For more information on SC811 or to submit an electronic locate ticket (e-notice), visit www.SC1PUPS.org.
