SOUTH DAKOTA TECHNICAL GUIDE (SDTG)
NOTICE SD-389

SECTION I

Range Technical Note No. 4, Perennial Vegetation Establishment Guide, has been updated in FOTG under Section I, All Technical Notes, Range. These updates include:

- A footnote added to Table 5 addressing pollinator seedings and allowing more than 10% forbs
- Recovery was added as an adapted variety for western wheatgrass
- Hyperlinks were updated

Engineering Technical Note SD-2015-1, Rehabilitating and Restoring Earth Dams, has been added in FOTG under Section I, All Technical Notes, Engineering. This is a new technical note.
