WEST VIRGINIA TECHNICAL GUIDE
SECTION II

NOTICE NO. 1-12

Purpose: To inform field and area offices of updated materials within Section II of the West Virginia Field Office Technical Guide (FOTG); and to distribute information concerning Threatened, Endangered and Candidate and eagle species in West Virginia.

Effective Date: Upon Receipt

The following information has been added or revised and may be found in Section II, under the heading of *Threatened, Endangered and Candidate Species*. This information has been added to assist with utilization of the Interagency Coordination Tool (ICT) and compliance with the Endangered Species Act during conservation planning.

Threatened and Endangered Species Information

- Threatened, Endangered, Candidate and At-Risk species Fact Sheets
- Interagency Coordination Tool (ICT)
- ICT Memorandum of Agreement (MOA)
- ICT Review Request
- ICT Training Presentation
- Interagency Coordination Tool (ICT) User Handbook
- USFWS Programmatic Consultation Agreement and Concurrence
- *2012 WV NRCS Practice Effects on Threatened, Endangered, Candidate and Eagle Species for Planning and Program Implementation* (updated species-practice matrix)

If you have any questions or concerns please contact Patrick Bowen, State Resource Conservationist at (304) 284-7579.
