

STATEMENT OF WORK
Windbreak/Shelterbelt Renovation (650)
Minnesota

These deliverables apply to this individual practice. For other planned practice deliverables refer to those specific Statements of Work.

DESIGN**Deliverables:**

1. Design documents that demonstrate criteria in NRCS practice standard have been met and are compatible with planned and applied practices.
 - a. Practice purpose(s) as identified in the conservation plan
 - b. List of required permits to be obtained by the client
 - c. Practice standard criteria-related computations and analyses to develop plans and specifications including but not limited to:
 - i. Determination of needed cultural measures including addition of new rows to maintain intended density and functions
 - ii. Protective measures for plants to maintain intended functions including use exclusion
2. Written plans and specifications including sketches and drawings shall be provided to the client that adequately describes the requirements to install the practice and obtain necessary permits.
3. Documentation of needed operation and maintenance.
4. Certification that the design meets practice standard criteria and comply with applicable laws and regulations.
 - a. Sign Legal Responsibilities Certification form if requested by NRCS
5. Design modifications during installation as required.
6. Complete Windbreak Shelterbelt Renovation Job Sheet or MN-CONS-7 or MN-CPA-003 as appropriate

INSTALLATION**Deliverables**

1. Pre-application conference with client.
2. Verification that client has obtained required permits.
3. Staking and layout according to plans and specifications including applicable layout notes.
4. Application guidance as needed.
5. Facilitate and implement required design modifications with client and original designer.
6. Advise client/NRCS on compliance issues with all federal, state, tribal, and local laws, regulations and NRCS policies during installation.
7. Certification that the application process and materials meet design and permit requirements.

CHECK OUT**Deliverables**

1. Records of application.
 - a. Extent of practice units applied
 - b. Actual cultural measures/plant materials used and applied
2. Certification that the application meets NRCS standards and specifications and is in compliance with permits.
 - a. Sign Legal Responsibilities Certification form if requested by NRCS
3. Record progress reporting as required; submit print-out of screen as requested.
4. Sign hard-copy of Form CCC-1245 if requested by NRCS.
