Objective: _____

Target Species/Guild: _____

Secondary Species/Guild (if applicable): _____

Federal or State Listed Species or At-Risk/Declining Species Including Brief Description of Impact

_____	_____
_____	_____
_____	_____
_____	_____

*Refer to NE-CPA-52 E&T Species Guide Sheet for additional information regarding federal or state listed species

*Refer to Nebraska Natural Legacy Plan for information regarding At-Risk/Declining Species

Example Habitat Types

1. Native Prairie
2. Native Woodland
3. Native Forest
4. Planted Grassland
5. Planted Woodland
6. Cropland – identify the primary function
7. Wetland _____ (specify hydrologic regime)
8. River/Stream
9. Pond/Lake

Example Habitat Functions

1. Nesting Cover
2. Brood-Rearing Cover
3. Roosting/Thermal Cover
4. Escape/Hiding Cover
5. Courtship/Breeding Cover
6. Fawning/Parturition Cover
7. Loafing Cover
8. Feeding Area
9. Water Source
