Number of Conservation Practice O&M Plans Received: _____ No.

Operation and Maintenance Agreement

I hereby understand the importance of these practices and understand that these practices were installed to help correct an environmental problem on my property. I also understand that failure to properly operate and maintain these practices could result in the failure of the practice(s) which could result in negative environmental impacts. I hereby agree to maintain and operate these practices to the best of my knowledge and ability so the practices will function as intended and so the practices will perform for the duration of the intended life span, or longer

I also fully understand failure to properly maintain and operate these practices will be a violation of my state and/or federal cost share contract and I could forfeit my cost share money and/or be required to pay any and all cost share money back to the government plus liquidated damages under USDA Financial Assistance Programs as outlined in the Program Appendix I signed when my contract was developed.
