

## 490 Tree/Shrub Site Preparation – Contractor Record and Certification of Conformance

Landowner: \_\_\_\_\_

Address: \_\_\_\_\_

Land Unit/acres	Plant Species Controlled	Control Methods Used	Application Time & Date	Product Brand Name & Active Ingredient	Product EPA Reg. No.	Amount Applied

Contractor comments/notes including Restricted Entry Interval (REI):

I hereby certify that the 490 - Tree/Shrub Site Preparation has been completed according to the 490 Implementation Requirement, NRCS Standards and Vermont State Law and that 90% control of existing plant cover in treatment area has been attained. If greater than 10% of the treated plants are not found to be dead by the following spring/summer then I will return to retreat the plants to assure meeting the 90% control requirement during the second growing season.
