

**NATURAL RESOURCES CONSERVATION SERVICE
CONSERVATION PRACTICE DOCUMENTATION REQUIREMENT**

**COVER CROP
(Acre)
CODE 340**

DOCUMENTATION REQUIREMENT

Plans and specifications will be prepared for the practice site. Plans for the establishment of cover crops shall include, but are not limited to:

- Specie or species of plants to be established.
- Seeding rates and recommended planting dates.
- Planned dates of establishment.
- Planned method of establishment.
- Planned rates and timing of nutrient application.

- Planned dates for destroying cover crop.
- Other information pertinent to establishing and managing the cover crop.

Plans and specifications for the establishment and management of cover crops may be recorded in narrative form, on job sheets, or on forms designed to provide specific requirements for this practice.
