

TECHNICAL NOTES

U.S. DEPARTMENT OF AGRICULTURE STATE OF COLORADO NATURAL RESOURCES CONSERVATION SERVICE

Irrigation Technical Note No. 2

June 7, 2007

To: All Colorado Area, Field and SCD Offices

From: Jason W. Peel
Irrigation Water Management Specialist

Irrigated Field Record Book

This Irrigation Technical Note provides a link to the Colorado Irrigated Field Record Book, a joint publication of the Colorado Natural Resources Conservation Service and Colorado State University Cooperative Extension Service. The intention of this publication is to provide cooperators with basic irrigation information and to facilitate recordkeeping per National and Colorado Irrigation Water Management 449 Criteria.

The electronic version can be accessed at:

<ftp://ftp-fc.sc.egov.usda.gov/CO/ECS/ECHandbook/Irrigation>

Limited quantities of this publication are available in hard copy format. To request hard copies, contact Jason Peel by voice at (720) 544-2817, email jason.peel@co.usda.gov, or by mail at 655 Parfet Street Room E200C, Lakewood, CO 80215.
