

## **Producer Self-Certification Guidance Sheet**

### **Fence (382)**

The following guidance is provided to assist producers with self-certifying practice completion:

- The Natural Resources Conservation Service (NRCS) planner/Technical Service Provider (TSP) shall design the practice according to conservation practice standards and specifications and shall document information on Form FL-ECS-382, Fence. The NRCS planner/TSP certifies design by signing under “Technical Service Provider.”
- Form FL-ECS-382 shall be reviewed with and concurred by producer. Producer shall sign under “Producer’s Statement” that they have reviewed the practice design and agree to the requirements of the practice.
- Form FL-ECS-382 and Producer Self-Certification Guidance Sheet shall be provided to the producer.
- Once the practice is completed, the producer shall complete the installed column on Pages 1 and 2 of the Form FL-ECS-382.
- Producer shall sign and date under the statement “This practice has been applied as designed”.
- Form FL-ECS-382 shall be returned to NRCS field office. No additional supporting documentation shall be required from the producer.
- The Natural Resources Conservation Service (NRCS) planner/Technical Service Provider (TSP) shall make field visit and spot check that fence does meet standards and specifications.
