## FIELD OFFICE TECHNICAL GUIDE

### LOUISIANA NOTICE 450-259

The purpose of this notice is to inform field office personnel of the provision under Louisiana R.S. 38:3097.3.C(4)(a) that requires advance notification of intent to drill a water well be submitted by the well owner to the Commission of Conservation at least 60 days prior to drilling the well. This notification is to be executed using the Water Well Notification form (GWR-01). In order to assist Louisiana NRCS conservation planners in helping landowners comply with this requirement, the following link to the form has been posted in Section IV of Louisiana FOTG in Water Well (642) practice folder:
