

# OHPO DATABASE MAP SEARCH

(These directions work best when online—call B. Lee if you have questions)

GO TO <http://www.ohpo.org/imf/sites/ohs/jsp/launch.jsp?verify=true> OR

Old site-- <http://www.ohpo.org/gis/login.jsp>

\*\*\*Must disable pop up blocker!!!

--Click on *Launch Map Viewer*, near bottom.

## TO CONDUCT A SEARCH BY RADIUS:

- ZOOM IN ON YOUR COUNTY, FIND LOCATION.
- OPEN THE BLUE TOOL BOX, TOP LEFT-CENTER
- CLICK ON THE “**Drill Down Select by Radius**” button, on right, with arrow.
- CLICK ON WORK AREA LOCATION
- AT BOTTOM OF PAGE, “Select features that are within 3 km of the position clicked”. Hit OK.
- Choose one of the following selected layers.
  - Data will display.
- If you navigate away from the page that displays the data, you can get back to it by clicking on **Selection** tab at top left, and the layers will reappear at bottom.
- Use a **scale of 1:50,000** for the radius map.

**CAN ALSO USE THE SHPO MAP TO PLACE YOUR PRACTICES ONTO, IF HAVE A FEW PRACTICES WITHIN ¼ MILE OR SO OF EACH OTHER. IF HAVE MANY PRACTICES OVER A LARGE FARM, CONTINUE TO USE TOOLKIT FOR PRACTICE MAP.**

## TO SAVE OR PRINT MAP,

- GO TO PRINT PDF, FROM TOP TOOL BAR
- GO TO BOTTOM OF PAGE, OPEN MAP,
  - LANDSCAPE & SCALE—LEAVE AS IS
  - MAP TITLE—FARM NAME-- 3 K SEARCH OR FARM NAME—PRACTICE LOCATION
  - MAP NOTES—OPTIONAL INFO.

## **TO ADD GRAPHICS/LABELS:**

**--OPEN GREEN TOOLBOX AND ITEMS WILL OPEN TO THE RIGHT**

**--USE “ADD PT. TO MAP” BUTTON TO MARK HUA, POND, ANY NON-LINEAR PRACTICE. USE “LABEL TEXT” BOX ON LEFT TO LABEL PRACTICE.**

**--USE “ADD BUFFERED LINE” TO MARK LINEAR PRACTICES; NO LABEL OPTION; JUST NOTE ON MAP, WHEN YOU SAVE THE MAP, WHAT COLOR THE LINEAR PRACTICE IS.**

**--MAKE DIFFERENT TYPES OF PRACTICES DIFFERENT COLORS .**

**--For Practice map using SHPO site, use a scale of 1:10,000 or less.**

**\*\*\*DO NOT NEED TABLE SHOWING ARCHAEOLOGICAL SITES, HISTORIC STRUCTURES, and NATIONAL REGISTER SITES/DISTRICTS.**

**--When making map, put # of archaeological sites, structures, NR sites/districts in notes.**

**CAN ALSO LOCATE BY USING “LOCATE” TAB AT TOP OF PAGE**

**--CAN SEARCH BY UTM OR LAT/LONG**

**TO MAKE A PRACTICE MAP, GO TO THE 3 K MAP PRODUCED.**

**--SELECT “CLEAR SELECTION” TAB (ERASER)**

**--ZOOM IN SO THE SCALE IS 1:10,000**

**--OPEN THE GREEN TOOL BOX**

**--USE THE GRAPHICS TABS TO MARK THE PRACTICES**

**THERE IS A WAY TO SHOW AERIAL MAPS—**

**Under **RED Toolbox** , click on blue globe-like button, “External Map Visualization”, then click on SHPO map. At bottom of screen you will have the option to select an aerial map that will open in another window. Select Yahoo or Virtual Earth. NOTE—you cannot see SHPO data on this aerial map, however wherever you click on the SHPO map, the aerial map will re-adjust to show the same location. This map will be helpful for those who wish to use visual features to align themselves with the Topo map.**

Geocortex IMF Launch

U.S. Department of Agricultu...

## Ohio Historic Preservation Office

### Welcome to the Geocortex IMF map viewer.

The purpose of this web map is to provide geographic information that you can use to help make more informed decisions, and get answers to questions for a specific area or topic that involves a geographic dimension.

This lightweight web-based viewer provides access to powerful tools and extensive geographic information, designed with an audience of non-expert users in mind.

- If you are new to the application, check out our quick, informative [Tutorial](#).
- Read, understand & accept our [Terms of Use](#).

 **Thank you! You have successfully disabled your Pop-up blocker.**

If you have permanently disabled your Pop-up blocker, feel free to enable it after using this site. If you frequently use this site, you may want to add this URL to a list of trusted sites recognized by your Pop-up blocker.
