Montana State Historical Society - Access to the State of Montana Historical Society Homepage. <http://www.his.state.mt.us>

National Register of Historic Places - Access the US Department of Interior, National Park Service National Register of Historic Places. Contains the Nation's official list of cultural resources worthy of preservation. <http://www.cr.nps.gov/nr/>

National Historic Landmarks - Access to the US Department of Interior, National Park Service, National Landmarks Homepage. National Historic Landmarks are nationally significant historic places designated by the Secretary of the Interior because they possess exceptional value or quality in illustrating or interpreting the heritage of the United States. <http://www.cr.nps.gov/landmarks.htm>

Certified Local Government Contacts for Historic Preservation - Access the homepage for the Heritage Preservation Services, National Park Service. Search for local CLG contacts by state. The CLG helps our nation's citizens and communities identify, evaluate, protect and preserve historic properties for future generations of Americans. Located in Washington D. C. within the National Center for Cultural Resources, the Division provides a broad range of products and services, financial assistance and incentives, educational guidance, and technical information in support of this mission. Its diverse partners include State Historic Preservation Offices, local governments, tribes, federal agencies, colleges, and non-profit organization.
