

Source Data for the Official Soil Survey

Graham County - General

The traditional final product of first generation soil survey mapping has been the soil survey publication. Each publication included soil map unit descriptions, series descriptions, tables of information (attributes), and maps. One copy of this publication is retained at the USDA Service Center, NRCS Field Office, and designated as the "Official Copy". This official copy was established to maintain the most current soil information for a survey area.

Mapping of Graham County soil survey is currently underway. The field sheets are the official source of soil maps. The soil survey publication is in draft format.

The official source of soil data is the NASIS database. The NASIS data is available from this site in a Microsoft Access data template. The file name is the county FIPS code with a "zip" extension, nc039.zip. It may be downloaded and unzipped. The template, nc039.mdb, requires Microsoft Access 97 or newer.

Copies of the interim maps are available from:

ROBBINSVILLE FIELD OFFICE

TELEPHONE: (828) 479-9268 **FAX:** (828) 479-8562

Mailing Address: P. O. Box 286, Robbinsville, NC 28771.

Location: Hwy. 129 By-pass

or

MURPHY FIELD OFFICE

TELEPHONE: (828) 837-6417 (Ext. 3) **FAX:** (828) 837-0284

Mailing Address: 225 Valley River Ave., Suite J, Murphy, NC 28906.

Graham County information will be available as an interim product once the manuscript has been typeset. Contact the NRCS field office or the soil survey office at:
