

Table REC-1. - Recreation

Nicholas County, West Virginia

The information in this table indicates the dominant soil condition, but does not eliminate the need for onsite investigation. The numbers in the value column range from 0.01 to 1.00. The larger the value, the greater the potential limitation. Limiting features in this report are limited to the top 5 limitations. Additional limitations may exist.

| Map Symbol and Soil Name | Pct of Map Unit | Camp Areas | | Picnic Areas | | Playgrounds | |
|-----------------------------|--------------------------|--|----------------------|--|----------------------|---|----------------------|
