

Prime Farmland

(Only the soils considered prime farmland are listed. Urban or built-up areas of the soils listed are not considered prime farmland. If a soil is prime farmland only under certain conditions, the conditions are specified in parentheses after the soil name.)

Muscatine County, Iowa

Map symbol	Soil name
963	Elvers silt loam, 0 to 1 percent slopes (Prime farmland if drained and either protected from flooding or not frequently flooded during the growing season)
