

## SECTION II – THREATENED AND ENDANGERED SPECIES

County lists of threatened and endangered species are maintained and regularly updated by the North Carolina Natural Heritage Program. The Natural Resources Conservation Service (NRCS) field offices can access current lists and document the elements of natural diversity (rare plant and animal species, exemplary natural communities, and special animal habitats) known to occur in North Carolina by adhering to the following directions:

1. Go to <http://207.4.179.38/nhp/county.html>
2. Type in the name of the county
3. Select “Species which are either Federally or State listed”
4. Select “Submit Query”
5. Set print orientation to “Landscape” before viewing/printing
