

## **Local Important Farmland**

for  
Lebanon, Connecticut

The Town of Lebanon, Connecticut, has concern for certain additional farmlands for production of food, feed, fiber, and forage, even though these lands are not identified as having national or statewide importance. According to the Code of Federal Regulations, title 7 part 657, these lands have been identified and approved by the Town of Lebanon and the NRCS as ***Local Important Farmland***.
