

NORTH DAKOTA FIELD OFFICE TECHNICAL GUIDE NOTICE REGISTER

NOTICE NUMBER	DATE	SUBJECT
ND-115	1/15/08	Transmits Ellendale and Linton FO specific information on Wellhead Protection (WHP) Program areas for Section I, Reference List.
ND-114	11/29/07	Transmits 2008 Cost Lists for CRP and WRP and EQIP Special Initiative 2008 Payment Schedule for Benson, Cass, Cavalier, Dickey, Eddy, Foster, Grand Forks, LaMoure, Pembina, Ramsey, Richland, Rolette, Stutsman, Towner, Traill, Walsh, and Wells counties.
ND-113	11/07/07	Transmits Cost Data—2008 and a link to the Ntl. NM Technical Note No.6—Nitrogen Efficiency and Management to Sections I and updates the Wetland Enhancement—659 Standard and Fact Sheet in Section IV.
ND-112	10/12/07	Transmits FY2008 cost lists for EQIP and EQIP-AFO, give filing instructions for 2007 ND Custom Rates – Part I – Early Season, and updates access to county windbreak suitability groups (WSG).
ND-111	10/2/07	Transmits updates to Section I – Cost Data Irrigation Planning Workbooks, adds links for ND Custom Rates and ND Crop Budgets, Economics and Ag Statistics, Tree Care and Management document and adds Headquarters Management Fact Sheet; Section II – reformatted and posted Frozen HEL lists; Section IV – Removed conservation practice Fishpond Management – 399, adopted Ntl. Standard and SOW for Fish Passage – 396, and updated Fence – 382 DIG, Job Sheet 23, and ND-CPA-2.
ND-110	9/24/07	Transmits Bottineau specific information on Wellhead Protection (WHP) Program areas for Section I, Reference List – Reference Subjects – Water Quality, Quantity, Local Resources subfolder. Change Item #16 on the References for Water Quality, Quantity, and Local Resources document. Adds new excel spreadsheet, Wellhead Protection Program Locations, located in the same subfolder.
ND-109	7/15/07	Announces updated LaMoure County Irrigation Workbook in Section I – Cost Data – EQIP Irrigation subfolder; implementation of Soils Information document with links to SDM and WSS in Section II – Soils Information subfolder; addition of conservation practices 521D – Pond Sealing or Lining, Compacted Clay Treatment and 632 – Solid Liquid Waste Separation Facility in Section IV – Conservation Practices subfolder
ND-108	6/20/07	Announces the addition of Practice Code 100, Comprehensive Nutrient Management Plan to Section I, Cost Data subfolder.
ND-107	6/12/07	Announces the addition of ND Scale Insects <i>and</i> Herbicide Weed Control Fact Sheets to Sections I and IV. Transmits Section II - Interpretive Tables as excel spreadsheets. Section IV – Practices 543-Land Reconstruction, Abandoned Mined Land and 544 – Land Reconstruction, Currently Mined Land have been revised and renamed. A correction was made to Table 4, Minimum Spillway Capacity, Conservation Standard Practice 378, Pond (Excavated) and addition of form ND-CPA-647.
ND-106	4/27/07	Transmits Center, Forman, and Jamestown FO specific information on Wellhead Protection (WHP) Program areas for Section I, Reference List.
ND-105	4/12/07	Announces additions or revisions to FOTG as follows: Section I - Atmosphere subfolder with a Web link to “The Carbon Cycle” Section II – Climatic Data – Remote Sensing Climatic Analysis subfolder with a map of the 128 cooperating weather stations and climatic data from each of the weather stations <i>and</i> Windbreaks and Forest subfolder, the document titled “Expected 20-Year Tree Heights and Windbreak Suitability Group Descriptions” was listed in eFOTG as “Expected 20-Year Tree Heights.” The full title of the document is now listed in eFOTG to help users locate windbreak suitability information. The document itself has not been changed. Section IV – Conservation Practices – Prescribed Grazing subfolder. Also contains instructions on an ArcGIS map insertion into Form ND-CPA-9.
ND-104	4/01/07	Announces updates and revisions to FOTG – Section II – Soil Information county reports. Interpretive Report and Potential Cropland & Limitations and Hazard reports updated to new PDF files. Generated Non-Technical Descriptions and Prime Farmland reports were moved to Web Soil Survey.
ND-103	3/19/07	Transmits Killdeer FO specific information on Wellhead Protection (WHP) Program areas for Section I, Reference List.
ND-102	1/31/07	Announces revisions to FOTG, Section I, Cost Data, WHIP cost list.

NORTH DAKOTA FIELD OFFICE TECHNICAL GUIDE NOTICE REGISTER

NOTICE NUMBER	DATE	SUBJECT
ND-101	12/01/06	Announces updates or revisions to FOTG-Section I-Cost Data for WRP cost list; Section I – Reference Subjects – Economics, Agricultural Statistics, List of Economics and Agricultural Statistics References.
ND-100	11/28/06	Transmits Watford City FO and Rolla FO specific information on Wellhead Protection (WHP) Program areas for Section I, Reference List
ND-99	11/16/06	Announces updates and revisions to FOTG – Section I– Cost Data for CRP, EQIP, EQIP-BF, EQIP-LRF, and WHIP cost lists and a revision to Cost Data – FY07; Section II Endangered Species Act document has updated web links; Section IV – Conservation Practices – Prescribed Grazing subfolder has been reorganized to separate Appendix’s A, B, and C from the Prescribed Grazing Design and Installation Guide.
ND-98	10/25/06	Announces updates and revisions to FOTG, Section I, Cost Data and Section IV Conservation Practices – 344 Residue Management, Seasonal Documentation Requirements.
ND-97	10/17/06	Notice announces EQIP Irrigation, county specific excel workbooks and 2, 4, 6, 8-digit Hydrologic Unit Boundaries maps in Section I . Also revisions to Design, Installation, Check out and Documentation Guides, Statement of Work, Fact Sheets for conservation practices 390,643,644,645,646,647,657,658,659 in Section IV .
ND-96	10/11/06	Transmits Fargo FO and Wahpeton FO specific information on Wellhead Protection (WHP) Program areas for Section I, Reference List.
ND-95	7/19/06	Transmits ND Agricultural Statistics 2006.
ND-94	6/30/06	Announces revisions to Sec. I ; Chapter 1 & 2 of the ND Irrigation Guide and is now located in Section 1 – Reference Subjects – Engineering – Irrigation Information – ND Irrigation Guide. ITC folder has been removed and references from within the folder have been relocated. CRP cost list has been modified. Herbaceous Vegetation Establishment Guide has been revised. Sec II : Reference subjects from Section I – ITC folder have been relocated to Section II. Sec. IV : 512,314, 338, 550, and 382 DIGs have been revised. The General Purpose Fence, Protective Fence, Power Fence and Diagonal Brace Fence sheets have been revised.
ND-93	6/06/06	Announces the CRA Map with descriptions to Sec. I, II, and revisions to the Prescribed Grazing Design and Installation Guide in Section IV.
ND-92	4/17/06	Announces the addition of 404 Permit Process and MLRA map to Section I and Prescribed Grazing and Tree Water Management Fact Sheets to Section IV.
ND-91	3/17/06	Announces addition of Species Alternatives for Russian Olive in Conservation Planting Fact Sheet and Warm-Season Grass Cover Between Tree Rows Fact Sheet in Sections I and IV.
ND-90	2/28/06	Announces additions/revisions to Sections I, II, III, and IV that include Upper Sheyenne Watershed cost list; Weed subfolder, update to WHEG workbook; addition of Fact Sheet on Effects of Trees/Shrubs on Nesting Birds; ESDs for MLRA 53B, range sites descriptions for Altamont, Badlands, Border, Drift Prairie and Red River Valley vegetative zones; Web Soil Survey; National Cultural Resources Procedures Handbook link, McHenry County Exception to WSG; update to instructions on ND-CPA-52; revisions to 422-Standard; and 338 – Standard, Design & Install. Guide and Statement of Work.
ND-89	1/09/06	Announces updates for FY 2006 Cost Lists for WRP and WHIP and the Nutrient Management Planners for Benson, Eddy, Nelson, Ramsey, and Richland counties. All updates are located in eFOTG, Section I.
ND-88	12/06/05	Transmits Grand Forks FO and Park River FO specific information on Wellhead Protection (WHP) Program areas for Section I, Reference List.
ND-87	11/10/05	Announces updates to Section I - Cost Data – updating cost lists for EQIP, EQIP-LRF, EQIP-BF, and CRP. It also updates Section I – Laws by adding the Letter Opinion-2005-L-28 addressing the status of tree plantings being exempt from ND One-Call excavation laws.
ND-86	11/04/05	Announces revisions and updates to Section I: Cost Data; adds link to Wetland Restoration, Enhancement, and Management Handbook, revises Windloss worksheets in Erosion Prediction; links ND Ag. Stats. – 2005 and to Section II: adds NCCS Web Soil

		Survey link.
ND-85	10/07/05	Announces additions and revisions to Section I- Reference Subjects for Engineering and Hay, Pasture, Rangeland subfolders; adds State Technical Committee Notices to eFOTG, Section I – User Guide; adds Soil Field Guide for Identifying Ecological Sites to Ecological Site Descriptions subfolder; and adds a Tile Drain Systems memorandum to Section IV – 606 Subsurface Drain subfolder.
ND-84	9/21/05	Announces additions and revisions to Section III, Quality Criteria, CSs and CSGs and to Section IV, Conservation Practices, Practice 329 (329A), 345 (329B) and 346 (329C).
ND-83	9/13/05	Transmits LaMoure FO specific information on Wellhead Protection (WHP) Program areas for Section I, Reference List.
ND-82	8/12/05	Announces the removal of 7 reports and the addition of Interpretive Table reports to eFOTG-Section II-Soil Information.
ND-81	7/29/05	Announces revision to Section I, Reference Subjects; Section III – Quality Criteria and NC-CPA 52; and Section IV – 455, 580, and 629 Standards and 645 and 380 Design and Installation Guides.
ND-80	6/13/05	Announces revision to ND Pest Management Mitigation Effectiveness Guide and revision to NRCS Administrative Areas and Offices in ND map in Section I. Also additions and revisions to Firebreak, Pest Management and Use Exclusion in Section IV.
ND-79	4/12/05	Announces addition of CSP cost lists for Apple Creek_Long Lake, Painted Woods_Square Butte, and Beaver Creek watersheds and North Dakota Pest Management Mitigation Effectiveness Guide to FOTG – Section I.
ND-78	4/8/05	Announces revisions and additions to FOTG-Section II-Forage Suitability Groups (all 8 of them)
ND-77	4/4/05	Announces addition of hyperlink to Agricultural Waste Management Field Handbook to Section I and Conservation Systems – Conservation System Guides to Section III of eFOTG.
ND-76	3/28/05	Announces revision to FOTG, Section I, Cost Data, WRP cost list (adds TSP codes).
ND-75	3/21/05	Transmits instructions on labeling published soil surveys, worded different than ND-74.
ND-74	3/21/05	Transmits instructions on labeling published soil surveys.
ND-73	3/22/05	Announces revisions to Section I, Wildlife Habitat Evaluation Guide and List of Soils References and Section IV – Vertical Drain and Salinity and Sodic Soil Management.
ND-72	3/16/05	Transmits revisions to Section II, North Dakota Irrigation Guide, Chapters 1 and 2.
ND-71	2/14/05	Transmits 2002 Census of Agriculture, ND, State and County Data Volume 1, Geographic Area Series Part 34 and Farm Machinery Economic Cost Estimates for 2005.
ND-70	1/24/05	Announces links to Conservation Systems and Conservation System Guides for ND by county, located in Section III-eFOTG. Also announces revisions to CRA map, with a correction to CRA 53B.1 and 53B.2, located in Section I-Maps.
ND-69	1/20/05	Announces revisions to FOTG, Section I, Cost Data, Erosion Prediction sections, and Agronomy section and to Section IV, conservation practices subsection.
ND-68	1/13/05	Announces a revision to FOTG, Section I, Cost Data – WRP 2005 Cost List.
ND-67	12/21/04	Transmits North Dakota Agricultural Statistics 2004 and Ranking North Dakota Agriculture – October 2004.
ND-66	12/14/04	Announces updates to Section I – CRP and WHIP cost lists, adds a grower and a vendor list to Plant Materials Reference Subject and adds conservation practice standard and statement of work for Silvopasture Establishment – 381.
ND-65	12/2/04	Announces updates to FOTG – Section I – Cost Data – FY 2005 cost lists for CRP and WHIP.
ND-64	11/24/04	Announces revisions to FOTG – Section I – Cost Data- TSP cost lists for EQIP, EQIP-LRF, and EQIP-BF
ND-63	11/16/04	Announces revisions to FOTG – Section I – Cost Data – Costs Lists for EQIP, EQIP-LRF, and EQIP-BF.

NORTH DAKOTA FIELD OFFICE TECHNICAL GUIDE NOTICE REGISTER

NOTICE NUMBER	DATE	SUBJECT
ND-62	11/04/04	Announces revisions to FOTG – Section I – Cost Data, Cost Tables.
ND-61	9/20/04	Transmits guidance on the report used in eFOTG to develop crop yields.
ND-60	6/18/04	Announces additions to Section II and revisions in Section IV of the FOTG.
ND-59	6/16/04	Announces two ways to obtain tabular soils data on eFOTG.
ND-58	4/29/04	Announces an update to form ND-CPA-52e and a revision to conservation practice standard 512 – Pasture & Hayland Planting.
ND-57	3/12/04	Announces the addition of WHIP Cost List 2004 to FOTG, Section I, Cost Data subfolder.
ND-56	2/27/04	Announces addition of the National Coordinated Common Resource Area (CRA) Map of North Dakota. Located in Section I, Maps.
ND-55	2/17/04	Announces revisions to Irrigation System, Sprinkler – 442, and Irrigation Water Management – 449. Located in Section IV, FOTG.
ND-54	2/9/04	Announces revisions to EQIP and EQIP-LRF-BF Cost Lists 2004, and Cost Data 2004 located in Section I, FOTG
ND-53	1/29/04	Announces revision to CRP Cost List 2004, Section I, FOTG
ND-52	1/7/04	Announces revision to two conservation practice standards, Section IV of FOTG
ND-51	12/15/03	Announces revisions to FOTG – Section I – Cost Data, Cost Tables.
ND-50	12/9/03	Announces addition of 3 conservation practice standards to Section IV of FOTG.
ND-49	12/4/03	Transmits update to Section I, Reference List by adding websites to Agronomy, Biology, Engineering, Hay-Pasture-Range, and Soils References.
ND-48	11/14/03	Transmits North Dakota Agricultural Statistics 2003 and North Dakota's Rank in US Agriculture – 2002 Rank Among States
ND-47	10/17/03	Announces revision of 21 practices in Section IV of FOTG
ND-46	10/29/03	Announces revisions to Section II – addition of ESC for MLRA 54; Section III – revises Table 1 – National and State Resource Concerns and Quality Criteria; Section IV – removes 532 – Pumped Well Drain
ND-45	9/26/03	Transmits field office specific information on Wellhead Protection (WHP) Program areas for Section I, Reference List.
ND-44	9/16/03	Added Soil Conditioning Index Worksheet and Guide to Using the Soil Conditioning Index to Section 1, Reference Subjects, Soils section.
ND-43	6/6/03	Announces revisions to Cost Data and adds cost lists for EQIP, CRP, WRP, EWP and a cost list named EQIP-LRF/BF (limited resource farmer/beginning farmer)
ND-42	8/14/03	Announces changes to Section I, Cost Data – EQIP and Reference Subjects, Plant Materials – subfolder Herbaceous Vegetative Establishment Guide.
ND-41	6/13/03	Updates all reports in Walsh County, PI report in Pierce County and Hydric Lists for all counties except Burke, Williams, and McKenzie.
ND-40	5/20/03	Transmits field office specific information on Wellhead Protection (WHP) Program areas for Section I, Reference List
ND-39	5/28/03	Announces the adoption of three wetland functional assessment models for ND
ND-38	5/16/03	Section I of FOTG: Revises pages 4, 18 of Herbaceous Vegetative Establishment Guide and adds a website line to Social and Economic Data.
ND-37	5/7/03	Updates interpretations/reports for Ward County.
ND-36	4/25/03	Terminates all ND Technical Notes. Revises Section I and IV of FOTG.
ND-35	4/7/03	Revisions to C-Factors for Cropland, Section I - TOC and removes Standards 451 and 456.
ND-34	4/2/03	Updates Engineering Index Properties report to Section II of FOTG

NORTH DAKOTA FIELD OFFICE TECHNICAL GUIDE NOTICE REGISTER

NOTICE NUMBER	DATE	SUBJECT
ND-33	3/14/03	Section II - Climatic Data and Threatened and Endangered Species updated
ND-32	3/14/03	Transmits updates to Section II of FOTG
ND-31	3/27/03	Revises Section I - Cost Data Tables
ND-30	3/14/03	Revisions to Section I - TOC and Herbaceous Vegetative Est. Guide and Section IV - 614 - Watering Facility
ND-29	1-31-03	Announces revisions to Section I, II and IV of the FOTG
ND-28	12-30-02	Transmits field office specific information on Wellhead Protection (WHP) Program areas for Section I, Reference List
ND-27	12-20-02	Announces revisions to FOTG Section I and IV and the addition of Forage Suitability Group (FSG) data to Section II
ND-26	11-27-02	Transmits revisions to Section II, FOTG
ND-25	10-8-02	Announces revision of 4 practices in Section IV, FOTG
ND-24	10-1-02	Announces release of Field Indications of Hydric Soils in US, Version 5.0
ND-23	9-30-02	Transmits office specific information on Well Head Protection, Section I
ND-22	8-12-02	Announces transfer of FOTG, Section IV from homepage to eFOTG & announces revised standards in FOTG, Section IV
ND-21	8-5-02	Implements eFOTG and revisions to Section I - General References
ND-20	8-8-02	Revises Section II and relocates materials between Section I and Section II
ND-19	7-25-02	Transmits ND Ag Stats 2002, 2001 ND Custom Rates, and reprints of ND Steward
ND-18	7-8-02	Transmits updates to WSG and Expected 20 Year Tree Height, Section II, Reference List, Plant Materials
ND-17	6-26-02	Updates Standards in Section IV, FOTG
ND-16	6-4-02	Updates standards in Section IV, FOTG
ND-15	5-16-02	Transmits office specific information to Well Head Protection, Section I, Reference List
ND-14	4-11-02	Announces ND CPA-52 to Section III, FOTG
ND-13	4-1-02	Transmits office specific information on Well Head Protection, Section I, Reference List
ND-12	3-29-02	Transmits updates to Section IV of FOTG
ND-11	2-20-02	Transmits Revised TOC for Section III and summarizes revisions
ND-10	1-30-02	Transmits 5 documents in Section III, FOTG, RSMS & Quality Criteria
ND-09	1-25-02	Updates ND Nutrient Management, Section IV, FOTG
ND-08	1-24-02	Transmits Technical References, Section I, FOTG
ND-07	12-20-01	Updates FOTG, Section I, Cost Data Tables
ND-06	12-14-01	Transmits office specific info on Well Head Protection, Section I Reference List
ND-05	11-15-01	Transmits 13 updated standards in Section IV of FOTG
ND-04	10-18-01	Transmits WSG and Expected 20 Tree Heights; Soils by WSG
ND-03	9-26-01	Transmits ND Ag Stats 2001; ND US Rank in Ag; 2001 Custom Rates; Cost Est. 2001

NORTH DAKOTA FIELD OFFICE TECHNICAL GUIDE NOTICE REGISTER

NOTICE NUMBER	DATE	SUBJECT
ND-02	9-21-01	Transmits office specific Well Head Protection for Section I - Reference List
ND-01	7-9-01	Converts hard copy of FOTG to on-line electronic copy
