SUBJECT: Technical Guide Notice 135

DATE: 12/10/2008

TO: All Holders of the PA Technical Guide

FILE CODE: 450-11

Purpose:

To provide the revised Section I Technical Guide Reference No. 28, "Fish Habitat Improvement for Trout Streams" (PA Fish & Boat Comm., 2007).

Explanation:

This publication provides technical guidance for NRCS conservation practice Stream Habitat Improvement and Management (395) for cold water streams. When the Pennsylvania standard is revised this fiscal year it will specifically refer to this publication.

Background:

The Pennsylvania Fish & Boat Commission's publication on stream habitat improvement has been a Technical Guide Reference for many years and the new publication provides the most current technology.

Access Instructions:

This publication can be accessed *directly* by clicking on the following link:

http://www.fish.state.pa.us/water/streams/habitat_improve_trout.pdf

The Pennsylvania eFOTG can be accessed at the following web address:
