

Conservation Practices

Practice ¹	Species/Mixture #
------------------------------	--------------------------

Conservation Cover (327) ²	201-265, 401-424
---------------------------------------	------------------

Conservation Crop Rotation (328) ²	
---	--

Contour Buffer Strips (332) ²	1-13
--	------

Cover Crop (340) ²	
-------------------------------	--

Critical Area Planting (342) ²	1-13
---	------

Field Border (386) ²	
---------------------------------	--

- | | |
|----------------------------|---------|
| a. herbaceous non-wildlife | 1-13, |
| b. herbaceous wildlife | 201-265 |
| c. shrub | 401-424 |

See Section VII (e) for examples of cutback and other field border layouts.

Filter Strip (393) ²	1-13
---------------------------------	------

Firebreak (394)	141-144, 147-152
-----------------	------------------

Grassed Waterway (412) ²	1-13
-------------------------------------	------

Hedgerow Planting (422)	201-265, 401-424, 501-541
-------------------------	---------------------------

See Section VII (e) for examples of hedgerow layouts.

¹--NRCS Practice # refers to the Field Office Technical Guide (FOTG). The numbers that appear after the practice correspond to the appropriate species and/or mixture listed under Section II (b-f).

²--Certain annual plants (301-313) may be used as temporary cover on all applicable practices.

Practice ¹	Species/Mixture #
Land Reclamation – Abandoned Mined Land (543) ²	1-13, 139, 149-150, 405, 407, 411-12, 414-417, 419, 422-424, 502, 507, 513, 519, 521, 529-532, 535, 538, 541
A ground cover may be needed for Shrub/Tree Establishment	
Land Reclamation – Currently Mined Land (544) ²	1-13, 139, 149-150, 405, 407, 411-12, 414-417, 419, 422-424, 502, 507, 513, 519, 521, 529-532, 535, 538, 541
Pasture and Hayland Planting (512) ²	101-153
Restoration and Management of Declining Habitats (643) ²	401-424, 501-541
Riparian Herbaceous Cover (390) ²	1-13, 101-153, 201-265
Riparian Forest Buffer (392)	501-541
Streambank and Shoreline Protection (580) ²	1-13, 201-221, 401-424
Tree/Shrub Establishment (612)	401-424, 501-541
A ground cover may be needed for Shrub/Tree Establishment
