

DIRECTIVE TABULATION SHEET

12 - 80

TITLE NO. 450NRCS-Washington Field Office Technical Guide Amendments**DIRECTIVE NAME / TYPE**

1 / DIRECTIVE NUMBER	ISSUE DATE	PART , SUBPART , PAGES , ETC. , OR BULLETIN SUBJECT	FILED BY
WA-1	07/09/02	Amend and replace all sections of the Field Office Technical Guide (FOTG) in all offices	
WA-2	01/09/03	Replace the Soils portion of Section II and change source of official Soil Survey information	
WA-3	08/19/03	Amend and update Section IV of the FOTG	
WA-4	08/18/03	Amend and update Section III of the FOTG	
WA-5	03/4/04	Transmit new Table of Contents and remove Prescribed Burning (338)	
WA-6	07/07/04	Clarify organization of eFOTG and management of Tabulation Sheet	
WA-7	03/04/05	Amend and update Section III of the FOTG	
WA-8	06/20/05	Replace the Soils portion of Section II	
WA-9	06/23/05	Transmit updated Nutrient Management (590) state standard, guidance document, job sheet, specification and statement of work	
WA-10	09/21/05	Transmit Agronomy Technical Note: 14; Winter Period Application of Manure in Washington State	
WA-11	10/17/05	Transmit updated Range standards and Prescribed Grazing Specification for Western Washington	
WA-12	12/14/05	Transmit Agronomy Tech Note 14: Winter Period Application of Manure in Washington State	
WA-13	05/10/06	Transmit 632 and 642 Practice Standard changes to Section IV	
WA-14	07/12/06	Transmit update State Level Agreement for calendar year 2006	
WA-15	09/21/06	Transmit revised WA-CPA-52, Environmental Evaluation for Conservation Planning	
WA-16	10/11/06	Transmit "Utilizing the Garmin GPSmap 76 for Field Office Collection In Washington State"	
WA-17	01/29/07	Transmit new and revised forestry conservation practice standards, specifications, check lists and Statement of Work	
WA-18	02/09/07	Transmit new Pond Sealing or Lining, Compacted Clay Treatment (521D) practice standard, statement of work, and documentation check list	
WA-19	08/09/07	Transmit Range Technical Note 101, Eastern WA Pasture and Range Seedings: Planning-Installation-Evaluation	
WA-20	11/19/07	Transmit new and revised conservation practice standards, statement of work, and documentation checklist for 449, 591, 629, and 632	
WA-21	11/19/07	Transmit Forest Engineering Technical Note #10	
WA-22	12/12/07	Transmit pipe weight calculator Excel spreadsheet and guidance material TN#10 to be used for EQIP	

1 / DIRECTIVE NUMBER	ISSUE DATE	PART , SUBPART , PAGES , ETC. , OR BULLETIN SUBJECT	FILED BY
WA-23	1/15/08	Transmit updated Contour Buffer Strip (332) Practice Standard (06/2007)	
WA-24	1/15/08	Transmit revised Pest Management (595) Job Sheet and Integrated Pest Management (IPM) Planning Worksheet	
WA-25	1/30/08	“Conservation Practice Life Spans” has been added to Section IV	
WA-26	3/20/08	Transmit conservation practice standards and job sheets for 342, 422, and 645	
WA-27	4/22/08	Transmit new and revised conservation practice standard, job sheet, statement of work and documentation checklist for Agricultural Handling Facility; (309)	
WA-28	5/5/08	Transmit the following updates: Practice Standards for Contour Buffer Strips (332) and Conservation Cover (327) and Job Sheet for 327.	
WA-29	10/3/08	New contents has been posted to Section IV to support the practice planning and application process.	
WA-30	10/3/08	New content posted top Section V to support conservation planning. CPPE matrix and practice effects for series 300-600 practices	
WA-31	10/3/08	Transmit Pasture Technical Note 101; Forage Zones for Western Washington	
WA-32	9/26/08	Section II, Subsection E identifies Forage Suitability Groups for forage zones identified in Pasture TN 101	
WA-33	12/3/08	Transmit the following updates: WA Conservation Practice (589A) has been replaced by Cross Wind Ridges (588) and the practice ‘Use Exclusion’ (472) has been replaced with Access Control (472)	
WA-34	1/22/09	Transmit WA Conservation Practice Road/Trail/Landing Closure and Treatment (654) Standard and CPPE values.	
WA-35	2/5/09	Transmit addition of Engineering Technical Notes 12 & 13	
WA-36	4/3/09	Transmit Plant Materials TN #3 and #18, revised Nutrient Management (590) in Sections IV and V	
WA-37	7/7/09	Transmit updated conservation practice standard, specifications and job sheet for Fencing (382)	
WA-38	9/2/09	Transmit updates for Well Monitoring (353), Water Well (642), Well Decommissioning (351) and Well Water Testing (355)	
WA-39	10/21/09	Transmit updated engineering practice standards. Cancel practice standards Pipeline, Rigid Gated Pipe (430HH), Soil Salinity Management - Nonirrigated (571) and Toxic Salt Reduction (610)	
WA-40	10/30/09	Transmit updates to the following conservation practices in Sections IV and V: Wetland Wildlife Habitat Management (644) and Upland Wildlife Habitat Management (645)	
WA-41	11/12/09	Transmit Revised Range Technical Note #34, 528 Standard, Specification, Job sheets, Practice Documentation requirements and worksheets	
WA-42	12/01/09	Revised Plant Materials TN 16, Threatened and Endangered Plant Species	
WA-43	12/29/09	Transmit revised guidance for practices 329, 344 and 345	
WA-44	1/19/10	Transmit Plant Materials Technical Note 19. Pasture Species Selection and Grazing Management Guide	
WA-45	1/27/10	Transmit revised CPA-52 and 2 completed examples
