

VIRGINIA TECHNICAL NOTES

Table of Contents

Ecological Sciences (190)

Agronomy

Crops and Crop Management

Virginia Technical Note, Agronomy – Crops and Crop Management #1, *Cropping System Specification Sheets*.

Critical Area Stabilization

Forages/Pasture and Hayland Management

Virginia Technical Note, Agronomy - Forages/Pasture and Hayland Management #1, *Rotational Grazing System Layout Considerations*.

Virginia Technical Note, Agronomy - Forages/Pasture and Hayland Management #2, *Terms and Definitions Used in Grazing Livestock Production*.

Virginia Technical Note, Agronomy - Forages/Pasture and Hayland Management #3, *Completing A Forage Supply and Demand Inventory*.

Virginia Technical Note, Agronomy – Forages/Pasture and Hayland Management #4, *Forage Quality Terms and Definitions*.

Virginia Technical Note, Agronomy – Forages/Pasture and Hayland Management #5, *Harvesting Corn for Silage*.

Virginia Technical Note, Agronomy – Forages/Pasture and Hayland Management #6, *Harvesting, Storing, and Feeding Hay*.

Residue Management/Tillage

Virginia Technical Note, Agronomy - Residue Management/Tillage #1, *Managing and Measuring Crop Residue*

Biology

Aquatic Systems

Virginia Technical Note, Biology – Aquatic Systems #1, *Wetland Management*

Ethnobiology

July 2009

VIRGINIA TECHNICAL NOTES

Table of Contents

Terrestrial Systems

Virginia Technical Note, Biology – Terrestrial Systems #1, *When to Use Prescribed Burning*

Wetlands

Endangered Species

Conservation Effects/Economics

Conservation Planning

Virginia Technical Note, Conservation Planning #1, *Conservation Assistance Notes*

Environment

Cultural Resources

Environmental Quality

National Environmental Policy Act (NEPA)

Forestry

Virginia Technical Note, Forestry #1, *Forestry Definitions*.

Virginia Technical Note, Forestry #2, *Forestry Stand Improvement*.

Virginia Technical Note, Forestry #3, *Tree and Shrub Establishment Guidelines*.

Plant Materials

Water Quality

Nutrient Management

Virginia Technical Note, Nutrient Management #1, *Implementing A Multi-Layered Nutrient Management System on Cropland*

Virginia Technical Note, Nutrient Management #2, *Risk Assessment of Water of Water Impairment from Concentrated/Feeding Livestock Areas*

July 2009

VIRGINIA TECHNICAL NOTES

Table of Contents

Pest Management

Engineering (210)

Virginia Technical Note, Engineering #1, *Installation of Animal Waste Storage Facilities (AWSF) in a Karst Area*

Engineering Technical Notes #2-7 will be issued at a later date.

Virginia Technical Note, Engineering #8, *Sinkhole Closing*

Virginia Technical Note, Engineering #9, *GPS Field Guide for Virginia*
