1/-Payment limited to 3 years of the contract. If previously adopted, then cost-share CANNOT be received.

2/-The maximum payment rate for one or more of the following management practices is limited to \$25 per acre per year for a maximum of 3 years. If previously adopted, then cost share CANNOT be received.

3/-Payment on the same acre limited to twice during the contract period.

4/-No cost share allowed for production purposes only.

5/-Dade County and other on request.

6/-Indian River Lagoon Priority Area and other on request, cannot be taken with Nutrient Management, 590

7/-75% cost share is available for this practice including the necessary components from the EXMAT, PIPE sections.

The standard cost-share rate will be 75% if the practice is utilized for storage, transfer or utilization of confined animal waste.
