

# INSTRUCTIONS FOR USE OF CONSTRUCTION SPECIFICATION

## WATERING FACILITY, CODE 614

### 1. Applicability

This specification is applicable for the installation of a watering facility to provide drinking water to livestock or wildlife.

### 2. As a minimum, the following items will be included in the construction specifications under the section "ITEMS OF WORK AND CONSTRUCTION DETAILS" or shown construction drawings.

- a. Location of watering facility.
- b. Size, dimensions, and number of watering facilities.
- c. Material requirements for trough or tank.
- d. Flow rate to each trough or tank.
- e. Details of all watering facility appurtenances including overflow preparations.
- f. Details of wildlife escape features if required.
- g. Requirements for protection of exposed pipes, fittings, and appurtenances.
- h. Treatment of area adjacent to trough or tank.
- i. Foundation requirements including type and size.
- j. Source of water supply.
- k. Location of alternative water sources, if applicable.
