

# JOB AIDES – HYDROLOGY

## Normal Environmental Conditions

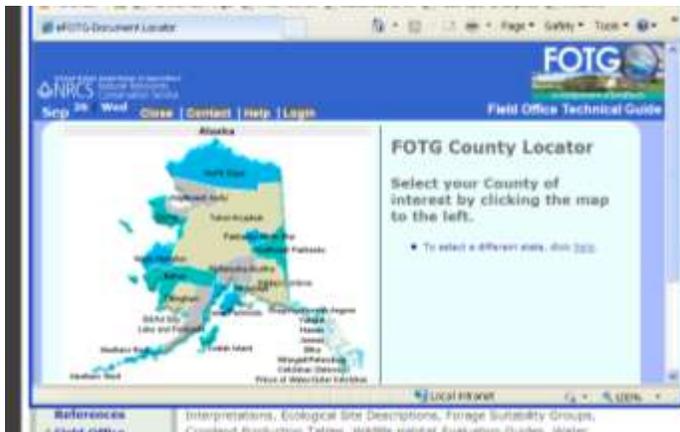

The PUBLIC access portal to the NRCS Field Office Technical Guide is the only site that is functional to access WETS tables. The web site for this is: <http://efotg.sc.egov.usda.gov/treemenuFS.aspx>

From the website, select the VIEW FOTG APPLICATION IN THE UPPER RIGHT

Select or click on AK

Or the main web site: <http://www.nrcs.usda.gov/wps/portal/nrcs/main/national/technical/fotg>

It is important to select the COUNTY that you are interested in. I will select the Matanuska Susitna County. Next, select Section II. Under Section II, select the folder Climatic Data. Then select the ? Agricultural Applied Climate Information System.

Click on the Agricultural Applied Climate Information ?
