I acknowledge that I reviewed the construction plans and specifications with an NRCS representative on _____ for the practice(s) as described above and agree to follow the requirements of the construction plans, specifications and O&M plan.

I will notify NRCS a minimum of 72 hours before the start of construction and at other times as noted in the plans and specifications.

I understand that any variation(s) from the plans and specifications received and discussed today must be requested and approved by NRCS prior to construction and that any variation made without NRCS approval could jeopardize certification of the practice(s) and associated practice payments.

I understand that I am responsible for notifying the Utility Notification Center, Alabama One Call, 48 hours (2 working days) prior to construction by calling 1-800-292-8525 (www.call811.com). Failure to do so will result in my, any operator(s), sponsoring organization(s) and contractor(s) being held liable for any damage resulting from disruption of service caused by construction activities and that NRCS makes no representation on the existence or nonexistence of any utilities.
