SECTION IV FOTG

JOB SHEET/GUIDE SHEET

INDEX

Composting Game Carcasses – AL317C – Guide Sheet dated 3/2011.
Feral Hog Trapping – AL645G – Job Sheet dated 3/2011.

DESCRIPTION OF CHANGES:

Composting Game Carcasses – AL317C – Guide Sheet dated 3/2011. The name of this Job Sheet was changed from “Composting Deer Carcasses” to “Composting Game Carcasses” with specific references to composting feral hogs. The job sheet includes all types of wild game.

Feral Hog Trapping – AL645G – Job Sheet dated 3/2011. The Job Sheet was revised to add a new section “State Laws, Permitting, and Carcass Disposal.” In this section, landowners are encouraged to contact their local conservation officer before trapping during hunting season if hunting will take place on the property. Since food type baits are placed to attract hogs, this action has potential to violate Section 9-11-244, Code of Alabama, which prohibits the baiting, feeding and simultaneous hunting of protected game animals and birds. This section also addresses carcass disposal, informing landowners that composting is an effective method of carcass disposal.
