## ALABAMA TECHNICAL GUIDE – SECTION IV - NOTICE AL73

This notice transmits revisions to the eFOTG.

### **SECTION IV FOTG:**

The following are updated Job Sheets which are designed to assist Field Offices to communicate practice specifications and check out requirements to clients.

### **Job Sheets:**

**[Establishment of Longleaf Pine Stands \(AL490B, AL612C, and AL643\)](#)** – REVISED – This job sheet was previously posted as AL643 & AL612. This Job Sheet now includes site specific specifications for Site Preparation. A planning checklist for site preparation and a tree planting worksheet have been added. This job sheet was refined due to the large number of longleaf establishment acres.

**[Forest Stand Improvement - Commercial Thinning \(AL666\)](#)** – REVISED – Before and after thinning pictures were added to help landowners visualize desired outcomes. A detailed description of some common thinning methods was added. A planning checklist and practice check-out checklist were added.

**FILING INSTRUCTIONS:** If hard copies are maintained, file the new or revised documents. Archive or discard the outdated material.

A handwritten signature in black ink that reads "Shannon K. Weaver".
