AGRONOMY TECHNICAL NOTE NO. CA-65

**SUBJECT: ECS – TILLAGE EQUIPMENT, POCKET
IDENTIFICATION**

Purpose: To transmit the above named Technical Note and new Index.

Effective Date: When received.

Filing Instructions. This Technical Note should be filed in a 3-ring binder with your other Agronomy Technical Notes and information. Place the new Index sheet in front of the first Technical Note and remove the Index dated July 2005. Place the pocket identification guide in your Agronomy Manual.

A handwritten signature in cursive script that reads "Diane B. Holcomb".

DIANE B. HOLCOMB
State Resource Conservationist
