**TECHNICAL GUIDE NOTICE NO. 52**

**SUBJECT: ISSUE NEW ECOLOGICAL SITE DESCRIPTIONS FOR MLRAs 29 & 30**

**Purpose: To transmit new Ecological Site Descriptions for MLRAs 29 and 30 to appropriate Field Offices**

**Effective Date: when contents are received.**

Enclosed is a set of Ecological Site Descriptions prepared during soil survey activity for military lands in MLRA 29 and 30. They should be inserted into Section II of the FOTG as a resource for rangeland conservation planning and inventory. The sites should be tested for the next year to see if any data needs fine-tuning.
