

TECHNICAL NOTES

U.S. DEPARTMENT OF AGRICULTURE STATE OF COLORADO NATURAL RESOURCES CONSERVATION SERVICE

BIOLOGY TECHNICAL NOTE NO. 21

April 28, 2003

To: All Area Offices
 All Field Offices

From: Terri Skadeland, State Biologist
 John Andrews, State Conservation Engineer

Purpose: To revise Biology Technical Note #21

This Technical Note replaces the existing Biology Technical Note #21, [Wildlife Watering Facility Specification](#) dated October 2001.

Additional copies of this Technical Note are available on the Colorado NRCS e-FOTG.
