Agriculture

FIELD OFFICE TECHNICAL GUIDE  
CHANGE NOTICE 86

Natural  
Resources  
Conservation  
Service

2614 NW 43<sup>rd</sup> Street  
Gainesville, Florida  
32606-6611

P.O. Box 141510  
Gainesville, Florida  
32614-1510

Purpose. To transmit the following technical documents:

Section I, Reference List

Section I, Maps

Contents Page

USDA Resource Conservation & Development Areas, pg. 3

Division of Forestry Administrative Districts, pg. 7

Regional Planning Councils of Florida, p. 10

State of Florida Water Management Districts, pg. 11

Soil and Water Conservation Districts of Florida, pg. 12

Florida-NRCS Status of Soil Surveys, pg. 24

EQIP 2002 Geographic Priority Areas, pg. 25

Status of Hydrologic Unit Area Boundary Revision, pg. 32

Section IV, Conservation Practice Standards:

Table of Contents

Cover Crop, Code 340

Critical Area Planting, Code 342

Drainage Water Management, Code 554

Irrigation Pit or Regulating Reservoir, Code 552B

Irrigation Pit or Regulating Reservoir, FL552BJS

Pond Sealing or Lining, Bentonite Treatment, Code 521C

Pond Sealing or Lining, Soil Dispersant Treatment, Code 521B

Sediment Basin, Code 350

Sediment Basin, FL350JS

Stripcropping, Field, Code 586

Tree/Shrub Establishment, Code 612

Water and Sediment Control Basin, Code 638

National practice standards for which state standards have yet to be developed.

Effective Date. This notice is effective when received.

Cover Crop, Code 340

This standard was revised to meet the current format and will replace Cover and Green Manure Crop, Code 340.

Critical Area Planting, Code 342

This standard was revised to meet the current format and will replace Critical Area Planting, Code 342, I, II, III, IV and V.

Drainage Water Management, Code 554

This standard was renamed and revised to meet the requirements of the national standard. The revised standard replaces Controlled Drainage, Code 335 and Water Table Control, Code 641.

DIST: ASTC(FO), FO, ENG, PMC

Irrigation Pit or Regulating Reservoir, Code 552B

This standard was revised to meet the current format and include updated criteria. A job sheet is also included with this conservation practice standard.

Pond Sealing or Lining, Bentonite Treatment, Code 521C

This standard was revised to meet current format and national criteria.

Pond Sealing or Lining, Soil Dispersant Treatment, Code 521B

This standard was revised to meet current format and national criteria.

Sediment Basin, Code 350

This standard was revised to meet the current format and includes updated criteria. A job sheet is also included with the conservation practice standard.

Stripcropping, Field, Code 586

This standard was revised to meet the current format and includes updated criteria.

Tree/Shrub Establishment, Code 612

This standard was revised to meet the current format and includes updated criteria.

Water and Sediment Control Basin, Code 638

This standard was revised to meet the current format and includes updated criteria.
