FIELD OFFICE TECHNICAL GUIDE

CHANGE NOTICE 124

Purpose. To transmit technical documents to be inserted into the local FOTG.

Effective. This notice is effective when received.

The enclosed materials shall be filed in the appropriate section of the Field Office Technical Guide (FOTG) in accordance to these filing instructions. Electronic copies of these materials may be found in the eFOTG located at http://www.nrcs.usda.gov/technical/efotg/.

SECTION I

Verified Impaired Waters (for TMDL Development) All FDEP Basin Groups – This resource map of “Impaired Waters” has been updated to reflect verification of the status of all waters in the state by FDEP.

Filing Instructions

Table with 2 columns: Remove and Archive, Insert. Row 1: Impaired Waters Group 1 of 5 in FDEP Basin Rotation, Resource – Page 19, September 2003 vs Verified Impaired Waters (for TMDL Development) All FEDP Basin Groups, Resource – Page 19, March 2008

SECTION IV

Table of Contents – This table has been revised to include new information provided.

Agrichemical Handling Facility, Code 309 – This new conservation practice standard replaces the Florida interim conservation practice standards Agrichemical Handling Facility, Code 702 and Agrichemical Mixing Station – Portable, Code 703.

Agrichemical Handling Facility (Portable) Conservation Practice Job Sheet, FL309JS - This new jobsheet should be used when designing and implementing Agrichemical Handling Facility, Code 309.

Filing Instructions

Table with 2 columns: Remove and Archive, Insert. Row 1: Table of Contents, pages 1 -7, February 2007. vs Table of Contents, pages 1 – 7, March 2008. Row 2: vs Agrichemical Handling Facility, Code 309, March 2008. Row 3: vs. Row 4: Agrichemical Handling Facility, Code 702, October 2002 vs.

Agrichemical Mixing Station – Portable, Code 703, April 2007	----
Agrichemical Mixing Station – Portable Conservation Practice Jobsheet, FL703JS, April 2007	----

New Conservation Planning Authority (CPA) Form - Form FL-CPA-45 has been added to Section IV of the eFOTG under the folder Forms. This new form entitled “Wetland Mitigation Monitoring Form” is to be used for recording the status of wetland mitigation projects and client wetland compliance. Due to the highly specialized nature of the form, it is not being provided in hardcopy. Please use the electronic version of this form in the eFOTG as needed.
