NATIONAL ENGINEERING FIELD HANDBOOK
210-VI
NOTICE FL-112

SUBJECT: ENG - NATIONAL ENGINEERING FIELD HANDBOOK, PART 650, FLORIDA
SUPPLEMENT

Purpose. To supplement the National Engineering Field Handbook (NEFH), Part 650.

Effective Date. This amendment is effective when received.

This supplement transmits the following:

- revising the Procedures for Documenting Planning, Design, Construction, and Checkout of Engineering Conservation Practices section to include procedures for new conservation practices and update procedures for existing conservation practices,
- revising the downloading procedures to include procedures for GPS surveying equipment,
- include procedure in using a data collector with a total station,
- include Florida AutoCad Civil Design procedures, and
- reformatting the planimentering procedure

All employees involved with planning, designing, construction layout, construction check-out, and certification of conservation practices must become familiar with Chapter 1, Section A.

Employees using total stations or survey grade GPS should become familiar with Chapter 1 Sections B, C, and D.

Filing Instructions. The attached supplements are to be filed in the NEFH, Part 650, Florida Supplement.
