NATIONAL ENGINEERING FIELD HANDBOOK FLORIDA SUPPLEMENT
NOTICE FL-114

This supplement transmits the revision of forms FL-ENG-5A, **Embankment Earthwork Computation Sheet**, FL-ENG-5B, **Excavation Computation Sheet** and FL-ENG-607/608, **Drainage Ditch Design**. This supplement also transmits a revised Index of Florida Engineering Forms.

The above mentioned forms were previously available in .PDF fillable format; these forms are now in Microsoft Excel® format. The .PDF fillable version will no longer be available.

FL-ENG-5A, **Embankment Earthwork Computation Sheet**, FL-ENG-5B, **Excavation Computation Sheet** and FL-ENG-607/608, **Drainage Ditch Design** can be downloaded from the eFOTG under **Section I. C. References\1. Engineering References\b. Part 650, National Engineering Field Handbook-Florida Supplement \Chapter 5-Preparation of Engineering Plans**.
