NATIONAL ENGINEERING FIELD HANDBOOK FLORIDA SUPPLEMENT
NOTICE FL-115

This supplement transmits revision of the Microsoft Excel[®] workbook Florida Watering Facility. This supplement also transmits a revised Index of Approved Software for Field Offices.

The Florida Watering Facility was updated to include the required watering facility perimeter as stated in the Florida NRCS conservation practice standard, Watering Facility, Code 614. The design component of the workbook did not change.

Florida Watering Facility Version 2.1 can be downloaded from the eFOTG under **Section IV\ Tools\ Florida Engineering Computer Programs**.
