

INSTRUCTIONS FOR USE OF CONSTRUCTION SPECIFICATION

Trails and Walkways, Code 575

1. Applicability

This specification is applicable for the construction of a trail or walkway to facilitate the movement of animals, people, or off-road vehicles as part of a conservation plan.

2. Items to be included in the "ITEMS OF WORK AND CONSTRUCTION DETAILS" or Construction Drawings.

- a. Location of trail or walkway.
- b. Limits of clearing.
- c. Profile of trail or walkway.
- d. Typical cross sections of trail or walkway including total width, tread width and shoulder width, and base material.
- e. Type and thickness of surface treatment.
- f. Details of all structures required for water management (location, size, type, length and critical elevations).
- g. Where needed for safety, location of directional and warning signs, handrails, gates, fencing, and other safety devices.
- h. Vegetative requirements.
- i. Location of utilities and notification requirements.
