

Seasonal High Tunnel Suppliers

<http://hightunnels.org/supplier-directory/>

Producers may use the link above to learn about manufacturers and their products as well as numerous other aspects of high tunnel management. Other local suppliers that are not listed on this website include:

James Currington, Wiregrass RC&D Council, Ozark, Ala. 334.774.2334 (office),
334.237.3310 (cell)

Kevin Patterson, Rolling Hills RC&D Council, Cartersville, Ga. 770.607.8420
(office), 770.546.8975 (cell)

Frank Riley, Chestatee-Chattahoochee RC&D Council, Demorest, Ga.
706.894.1591 (office), 706.897.1676 (cell)

The NRCS does not endorse any manufacturer's product exclusively. It is the responsibility of the producer to verify that a high tunnel meets their needs and the requirements of the NRCS practice standard.
