September 27, 2006

**Technical Guide No: GA-149
450-IV**

SUBJECT: TCH – FIELD OFFICE TECHNICAL GUIDE (FOTG)

Purpose: To transmit revised practice standards for Section IV of the FOTG

Effective Date: October 1, 2006.

Explanation: To replace conservation practice standards, and the respective Job Sheets and Statements of Work in Section IV, FOTG as follows:

- Residue and Tillage Management, Mulch Till, Code 345, replaces Code 329B
- Residue and Tillage Management, No Till/Strip Till/Direct Seed, Code 329, replaces Code 329A
- Residue and Tillage Management, Ridge Till, Code 346, replaces Code 329C

Distribution: The practice standards, Job Sheets, and Statements of work have been placed in the electronic Field Office Technical Guide (eFOTG), Section IV.

Filing Instructions: These documents are available electronically through the eFOTG. Any hard copy of the previous standards should be removed from the field office files. Archived copies will be retained in eFOTG. If hard copies of the current standards are to be retained in the field office, they should be filed in the Field Office Technical Guide Section IV.

Contact: Technical Support Team, NRCS State Office, phone 706-546-2115.

A handwritten signature in black ink, appearing to read "J. Tillman", written over a horizontal line.

JAMES E. TILLMAN, SR.
State Conservationist
