The following is a description of the documents released and changes made to FOTG:

Document	Description
PI FOTG Notice PI-41	New PI Notice.
PI Register of FOTG Notices	Revised PI Register.
Section II Table of Contents	Revised Section II Table of Contents.
Section IV Table of Contents	Revised Section IV Table of Contents.
Limiting Soils for Fence Installations	The document is a list of all soil map units in the PIA that are considered to be limiting with respect to fence (382) installation. The limiting soil map units have been separated by island to make it easier for each field office to identify the limiting soils within their operating area.
Job Specification and Approvals Coversheet	Revised the coversheet. To be used with all ecological practices that do not have jobsheets or the approvals/certification page in the jobsheet.
Client Responsibilities and Specifications Coversheet	Revised the coversheet. May be used with engineering designs.
