FOURTH AMENDMENT

TO THE
CLASSIFICATION AND CORRELATION
OF THE SOILS OF
DU PAGE COUNTY, ILLINOIS

FEBRUARY 1999

AMENDMENT NO. 4

A correlation amendment needs to be added to the "Classification and Correlation of Soils in Du Page County, Illinois" document issued in January 1998. The map unit 536 - Dumps is being used incorrectly. In Du Page County, 536 refers to landfills/garbage dumps whereas in the rest of the Illinois counties where it had been correlated, 536 is mine dumps. The corrections needed are as follows:

1. On page 5, delete Field symbol 536 - Dumps and Publication symbol 536 - Dumps. On Page 6, insert under Field symbol 536 immediately below 534, 533 with map unit name Dumps and under Publication symbol 830 and approved map unit name of Landfills.
2. On page 15, under conversion legend, change 536 in the Publication symbol to 830.
3. On page 16, delete row of map unit symbol 536 - Dumps and insert another row of 830 - Landfills immediately following 494B.
4. On page 19, delete 536 - Dumps and then insert 830 - Landfills immediately following 805B.
