TECHNICAL GUIDE NOTICE IL-327

Purpose: To provide notice of revisions to the Electronic Field Office Technical Guide (eFOTG). The eFOTG can be accessed through the Illinois home page by clicking on "eFOTG" or at <http://www.nrcs.usda.gov/technical/efotg/>.

Location

Summary of Changes

Section IV.A. Index of Conservation Practices

Index of Conservation Practice Standards – Alphabetical and Numerical

Updated to include new and revised practice standards.

Section IV. B. Conservation Practices

Tree/Shrub Pruning (660) Practice Standard, Job Sheet, Statement of Work, and Information Sheet.

- Practice standard has been revised to align with the most current version in the National Handbook of Conservation Practices.
- Developed new fillable Job Sheet for planning and implementation.
- Adopted new national Statement of Work (SOW).
- Adopted new national Information Sheet.

Saturated Buffer (604) Guidance

Clarified that the flow calculated under Option 2 is system capacity rather than design flow.

Technical Guide Notice 327 is filed under Section I, "FOTG transmittals" at the FOTG site.
